Children's Code of Behaviour

I will

- Care for others and respect other opinions and decisions
- Co-operate and be helpful to others
- Listen to others and know I have a right to be heard
- Follow the rules set for Church activities by my leader
- Respect others' social distance (personal space)
- Only use the internet with my Church leader's permission
- Tell my Church leader or Safeguarding Officer anything that worries me or makes me feel unsafe
- Be treated with respect even if I misbehave

3 STAGES OF BEHAVIOUR SUPPORT

1. The Church leader will ask me to stop my behaviour

2. The Church leader will contact my parents

3. The Church leader may tell my parents I can't attend again

God gave all children the right to feel safe at all times

Nothing is so awful that we can't talk with someone about it
